

2021 Employee Choice Award Winners

The 2021 Employee Choice Award recognizes Ingage by Swift Bunny™ clients who achieved an exceptional overall Engagement Score as of December 31st, 2021. The Engagement Score is based on confidential employee feedback surveys completed by the company's team members throughout the calendar year. An exceptional Engagement Score is an indication that company leaders care about employee feedback and are committed to creating positive, productive workplaces, maximizing employee engagement, minimizing employee turnover, and sustaining a culture where employees feel valued.

Leading the Way

Congratulations to these companies who demonstrate an unwavering commitment to employee success.

ABOUT SWIFT BUNNY

Swift Bunny offers a suite of multifamily-specific talent management solutions. Ingage by Swift Bunny™ is the apartment industry's first employee lifecycle feedback system. An event-triggered, ongoing feedback system that is more than a survey tool, Ingage by Swift Bunny™ pairs meaningful data with personalized insights and planning, empowering multifamily leaders to take specific action to solve their greatest workplace challenges. Inquire by Swift Bunny™ is a flexible and user-friendly custom survey solution for collecting employees' opinions and feedback. Focusing on the issues that matter most to team members can improve satisfaction, retention, and performance across an entire multifamily portfolio.
