Employee Engagement Leaderboard

The Employee Engagement Leaderboard showcases the property management companies who achieve the highest overall Engagement scores for the previous quarter based on results from Ingage by Swift Bunny™ employee lifecycle feedback system. The Engagement score provides insight into how employees feel about the company culture, their ability to perform their current job well, the prospect for future career development opportunities at their organization, and their likelihood to remain with the company over the next year.

Leaders in Multifamily Employee Engagement

We commend these organizations for their demonstrated commitment to creating multifamily workplaces that are both high performing and highly satisfying to their team members.
